“And we, who with unveiled faces all reflect the Lord’s glory, are being transformed into his likeness with ever-increasing glory, which comes from the Lord, who is the Spirit”. II Cor. 3:18

The School’s goal is to see all people reflect the glory of the Lord as He lives within them. A refreshed understanding and experience of their identity in Christ will lead to a supernatural lifestyle.

Our mission is revival: the personal, regional and global expansion of God’s Kingdom through His manifest presence.

Our commitment is to equip and deploy revivalists who passionately pursue transformation in their God-given spheres of influence, releasing a people who are willing to pay any price to live in purity and power because they are loved by God and love Him whose presence changes lives and culture. We are committed to developing and releasing revivalists back into their spheres of influence.

The school will impart the following qualities/values into the students:

- [A believer who is focused and passionate.
- [Willing to pay the price to live in purity and power.

- [Has deep faith, therefore signs and wonders follow them.
- [Loves the lost and Christ’s bride, His overcoming Church.
- [Having experienced grace, their character is marked by calling, holiness, wholeness and excellence.
- [Ministers and lives in friendship, rightly related to authority and community.
- [lives in a culture of honor and respect.

School classes are based on DVD teachings from Bethel Church, Redding, CA with senior leaders Bill Johnson, Danny Silk, Kris Vallotton and other teachers. Speakers from Bethel and other ministries will be brought in to add to the rich variety and compliment the mission of the School as they are available. The course includes a teaching survey of both Old & New Testament, developing a culture of honor, Father’s love, developing people, prophetic insight and use, language of the Spirit, prayer, identity in Christ, rulership in the Kingdom, great moves of God, encountering God’s love, how to be possessed by love, spiritual warfare, a prosperous soul, resting in the Father’s presence and much more.

A key component of the instructional process is application. There will be opportunity for practice of the insights that are being taught. Scheduled Treasure Hunts, prophetic

activations, worship and possible mission trips, depending on schedules, participants and available locations and praying for the sick are all part of the experience. Ministry for personal healing through the use of Sozo, Redeemers Keys and Restoring the Foundations will also be available as requested by the students.

COMMITMENT AND COST:

Recognizing that not everyone can move to Redding and enroll full time in school we also know that many want to learn and grow in the Lord. In order to meet your needs we have taken their first year curriculum and spread it out over a 3 year time line. The school meets on Monday nights from 6:30 to 9:00 p.m. with a scheduled break. We do not schedule class during holidays and take the summer months off for family and vacations. The teaching series are broken down into sections consisting of 8 sessions.

This is a school with expectations of consistent attendance in order for you to receive all that Father God has for you. There is a flow to the classes and each session will build on the previous one. There will also be weekly homework assignments that take from 1 to 2 hours per week. Attendance and homework assignments are tracked.

The cost of the school is \$65 for each section. When a couple register for the school the registration is reduced from \$150 to \$100. A student manual is included in the registration fee. There is also an outside reading book for each section which will run from \$10 to \$15 depending on the book.

Blessing and wisdom as you prayerfully listen to the Holy Spirit and consider your participation in the School of Supernatural Ministry. Please send me an e-mail for application to the class. If you join the School I look forward to partnering with you in your Kingdom journey of faith into supernatural ministry. It is my hope and prayer that there will be students from many churches and different streams of Kingdom life.
