

## Hold Harmless Agreement

To Whom It May Concern:

I voluntarily consent to be ministered to by the 4-Life Team.

I understand that some or all of the procedures used to give spiritual and emotional help through the use of the Transforming Prayer Ministry method may not be clinically demonstrated to guarantee either short-term or long-term results. I fully understand that the ministry I receive is not counseling in any form, but ministry, and that the facilitators do not purport to be professional counselors.

I am voluntarily accepting this offer of ministry and do not hold anyone responsible for any outcome that may arise as a result of it. I understand that I am free to terminate my participation at any time, for any reason. I do not hold any member of the 4-Life Transforming Prayer Ministry responsible for any further or additional care I may need in the future. I take full responsibility for my life, health, and well-being now and in the days to come.

All people working at 4-Life Transforming Prayer Ministry have signed a confidentiality agreement stating that they not disclose what is revealed during a ministry session to any person including family, friends or spouse. We understand that to do so is a violation of the individual's rights to privacy and a violation of Christian morals and godly behavior. We give our word and promise to keep private all information that is shared in any and all ministry sessions. The only exception would be for the purpose of the following:

- discussing the information in a training setting at which time no names or specific information would be disclosed,
- should there be information shared that reveals that a child has been abused or harmed (who is still a child by age) or an elderly person is in present danger of abuse or harm, We are obligated to report this information to the proper legal authorities.
- If I am suspecting that you are likely to harm yourself or in any way take your own life or another's life.

I also fully understand that this ministry opportunity is being offered on a donation basis and understand that this is not a professional counseling office. I accept this ministry opportunity as a gift and can freely give as I choose to support this cause but am under no obligation to pay for this service. If I choose to contribute any money to this ministry, it is as a token of my appreciation and not as payment for service rendered. Please consider a contribution for the time we spend with you. *Suggested donation is \$75/session.*
